Discovered all design domains and bases of design thinking and methodology, teamwork, experiment different design methodology, draw, work on color perception.

2013-2016

High School diploma (equivalent to A-levels) of Applied Art (France).

Three years specialised in Applied Art with general topics all centred on design. Acquired knowledge in group work, how to build a project,....

Work experience

Since September 2018

Freelance

Conceptualized graphic design, web design and designed new graphic identity. Organized client contact.

August to October 2018

Internship at NRV at Toulouse (France).

Developed Graphic design, Web design and illustration. Improve professional methodology and teamwork in agency. Worked for various clients like food services and bars such as Four Monkey and the Black Lion, and the personal shopper Blue Apple.

July 2017

Volunteered at MAUSA (museum of urban art) at Sellières (France) for the opening.

Assisted organisation of the opening, achieved different manual works.

2016-2017

Created some graphic design for a wine bottle, a discjockey, or various particular clients.

Developed graphic Identity and applied this graphic on various supports.

February 2013

Did an internship in the Visualis Publicité agency (France).

Discovered graphic jobs and took my first steps on creative software.

Hobbies

Love art and design, visiting museums and art history.

Interesting in photography. Discovering other countries and cultures by traveling.
